Hi!

My name is Alina and I am 14 years old. I enjoy to play video games and listen to music. I also like playing volleyball and basketball. What do you like to do? My school wants to do a recipe exchange with yours so I would like to know about your favorite foods. In the United States food is very diverse because there are many different cultures. In the State of New Mexico though traditional food is similar to Mexican food and has a lot of chile. We eat foods like Enchiladas, pozole, chile rellenos, menudo, and tortilla soup. We use a lot

Sincerely,

Your Friend,

of green chile in our cuisine. What do people eat where you live? What's your school food like? Mine is kind of plain and sometimes weird. And we eat a lot of process foods that aren't fresh. The school food is supposed to be healthy but I am pretty sure it's not. We eat all different kinds of foods from different cultures. I know I made the school food sound bad but it's really not.

Sincerely,

Alina
